

2019 SYRAH

Chocolate and savoury aromas lead into the pepper filled palate this Syrah is known for. Bright acidity keeps this beautifully full-bodied wine textured and balanced. Notes of liquorice, vanilla and dark fruit linger.

VINTAGE

Overall, the 2019 vintage had challenges, but we are exceptionally proud with how our site and team handled them. The season started off cool with more than average rainfall. Our team effectively cropped and maintained the vineyard to ensure high quality fruit and ripeness. While this in turn led us to having the lowest crop yield since 2012, it was well worth it. Our site conditions made it so that we did not experience the early October frosts and were able to continue to hang fruit until late October. Overall, Alain says that this will be a spectacular cool climate vintage from Painted Rock.

WINEMAKING

Our Syrah was hand picked from our two estate Syrah blocks planted starting on October 21, 2019: J block which is planted with clone 100, and M block, which is planted with 99. This wine was aged for 18 months in 30% new oak. Of that new oak, 80% was French and 20% was American. The remaining 70% was aged in second-fill French oak.
