MORE THAN A WEDDING VENUE

When you choose to celebrate at Painted Rock, your guests will experience more than a wedding venue. At Painted Rock, we are primarily known for our award-winning wines produced from our single estate vineyard—the same vineyard where you will be wed. The wines have been named in top publications including Decanter, Food & Wine, Vogue, The Globe & Mail, The Financial Times and the Vancouver Sun. Let our wines be the centerpiece of your celebration.

Our 27-acre vineyard sustainably produces multiple award-winning wines, including Chardonnay, Rosé, Merlot, Cabernet Sauvignon, Syrah, and more. Please inquire for the current list of available vintages and please join us for a tasting where our team can help you select the wines for your special day.

A FEW TESTIMONIALS...

We held our wedding ceremony and reception at Painted Rock in June of 2019. Our guests raved about the venue, from the amazing view, soft breeze, amenities, and of course the wine. We could not have chosen a better, more breathtaking venue for our special day. The staff were professional, helpful, and genuinely cared about making sure our day was all we wanted it to be. They were prompt answering questions. My husband and I will always have a special place in our hearts for this amazing place and look forward to visiting for years to come." ~ **Terri A.**

"We just had our wedding at Painted Rock. My husband and I stumbled on this beautiful property over 5 years ago and were so impressed by their wine that we've been making a trip back every year. And when it was time to get married we just had to have our wedding here. The staff at Painted Rock were so incredible prior to our wedding day, during and after. They went above and beyond to make our day special and we are so grateful to them. It was such a magical day that we will remember forever. And we look forward to returning every year for our anniversary." ~ **Golya B.**

"Painted Rock is an absolute gem! We had our wedding at Painted Rock this past September and it was a dream come true. From the moment we first visited the winery over a year ago we were greeted with warm, friendly service and we knew instantly upon enjoying a glass of their famous rose and looking at the stunning view from their patio that we couldn't imagine getting married anywhere else. Compared to other wineries, Painted Rock is one of a kind with their modern tasting room and design. The clean lines and colour choices really let the view and vineyards speak for themselves and the view is nothing short of breathtaking. All of our guests were blown away with how beautiful and intimate the tasting room and outdoor spaces felt. Thank you Painted Rock for the perfect wedding experience and the most perfect spot to share with our family and friends. Everyone said they can't wait to go back." ~ **Sydney H.**
